To consider and ratify

- (a) the date of XVII Convocation along with the name of Chief Guest for the XVII Convocation of the Institute.

As per the set policy of the Institute, Institute Convocation is held on Second Saturday of September every year. In view of unavoidable circumstances however, in the year 2022, the XVII Convocation could not take place. With the kind concurrence of the Hon'ble Chairman, BOG, the same has now been scheduled for March 18th 2023, Second Saturday of March, 2023, with all graduands completing their degree requirements by 13 March 2023, being awarded their respective Degrees.

After discussions, for the same, Dr Sriram Rajamani, Managing Director Microsoft Research India was approached by the Hon'ble Chairman through his email dated 13Feb' 23 for being the Chief Guest on the occasion and also delivering the Convocation Address. In reply thereof, Dr Rajamani kindly confirmed his availability on the said date (email reply dated 14 Feb' 23). The email communication between the Hon'ble Chairman and Dr Rajamani is attached herewith as Annexure 25.01 [Page 2 to 4] for kind appraisal of the Hon'ble members of the Senate.

Hon'ble members of the Senate may kindly like to consider and ratify the XVII Convocation date as March 18th, 2023 along with the name of Chief Guest Dr Sriram Rajamani, Managing Director Microsoft Research India for the occasion.

- (b) the content of the degree format arising due to difference in degree completion year and convocation year for all programs running in the institute

- (c) the Hindi name for the following Programs:

- 1) M.Tech. IT Data Engineering
- 2) M.Tech. IT Robotics and Machine Intelligence
- 3) M.Tech. Data Science and Analytics

The above Agenda were approved by the Senate through circulation on 06.03.2023. Hon'ble members of the Senate may kindly like to consider and ratify the same.

Subject: [EXTERNAL] Inviting you to be the Convocation Speaker at IIIT Allahabad

Dear Sriram,

I am currently the Chairman of the Board of Governors of IIIT Allahabad. I would like to invite you to be the commencement speaker for this year's convocation. We have some flexibility, but we would like to have this event in Allahabad in mid-March. The Director, Prof Rama Shanker Verma, has tentatively proposed March 18th as a possible date. If you would consider my request, I would like to schedule a call to answer questions and share details about the event.

IIIT-A is a computer science university and with all the buzz around generative AI, you were one of the first names that the group recommended. Convocations are very important for all the graduating students. I am sure having you as the speaker will be something the graduates will cherish for their life. I would really appreciate if you could share your availability at the earliest.

I include @Samruddhi Shembekar Patil in this thread. She can work with your admin to schedule time on your calendar.

Thanks,

Anand

About IIIT-Allahabad

AGENDA ITEMS

AGENDA ITEM NO. 25.05

To consider the request of Mr. Neelesh Kumar (Enrollment no IEC2016019) regarding Back paper Examinations.

Mr. Neelesh Kumar bearing Enrollment no IEC2016019 is a student covered under old ordinance. The student was registered in B. Tech (ECE) program in the Institute in 2016 and has several back papers to his credit. In the same connection, the student has been in touch with the HOD ECE, Dean Academics as well as the AAA Section, since June 2022. The crisp details and datelines of the matter are as follows:

SI NO.	Email date	Subject	Relevant Annexure 25.05 [Page 46 to 86]
1.	21/06/2022	Institute's notification is issued for registration in Back Paper Exam July 2022, to all concerned students including Mr. Neelesh Kumar.	<i>Annex-01</i>
2.	24/06/2022	<p>The student requested to Dean (A) him to allow registering in all his 10 back papers (including status of 10 backlog papers & seeking clarification from the concerned faculty.</p> <p>While as per Institute records Mr. Neelesh Kumar was to clear the Back papers in 10 courses (6 Theory, 3 Labs & 1 project), he counted the number of papers to be cleared by saying that he</p> <p>i) Accepted only 3 back papers (1 Theory, 1 Lab & 1 project) ii) Disputed the presence of 7 back papers to his credit on various grounds which included non-declaration of his result, raising allegations against faculty members, etc.</p>	<i>Annex-02</i>

3.	28/06/2022	Upon his emailed request on 24/06/2022, the DUGC ECE considered his request and resolved to allow him only for 7 papers as per the provisions applicable Ann.:3(a) & 3(b) to him, with the advice that the senate may allow him to register more than 7 back papers exam as a special case. (though no such provision)	Annex-03 <i>(Ann.03(a) & 03(b))</i>
4.	29/06/2022	List of registered students was sent to all HoDs, with a copy to Mr. Neelesh Kumar including all registered students to participate in the back paper exams scheduled during 1 st to 15th july-2022.	Annex-04
5.	29/06/2022	Mr. Neelesh accordingly registered in 7-backlog papers by duly paying the fees for the back paper examination. (Dated 29 June 2022 as per Institute's online registration portal)	Annex-05
6.	30/06/2022	Upon the advice of Dean (A), HoD ECE re-convened the DUGC-ECE to consider the allegations raised by Mr. Neelesh against various faculty members. DUGC discussed point wise on the issues raised by Mr. Neelesh Kumar with the concerned faculty. The respective faculty while refuting the allegations however agreed to allow Mr. Neelesh to appear in back papers in Physical mode, which were specially arranged for him. (Note: While all this was happening on his own choice, Mr. Neelesh did not appear in back papers for which he had registered himself and that's why special back paper dates were given to him, under full sympathy and fairness to accord him a special opportunity to clear his back papers.)	Annex-06
7.	11/07/2022	AAA section accordingly sent mail to HoD ECE with copy to Mr. Neelesh regarding maximum allowable back papers as 7 as per applicable provisions and requested to HoD ECE to convey the back paper dates to Mr. Neelesh directly.	Annex-07
8.	13/07/2022 to 18/07/2022	All Concerned Faculty scheduled the examinations and informed to Mr. Neelesh through email regarding the special back papers exam dates. Exams were to be held in physical mode, as Institute was operational in physical mode since March 2022 post Covid. Mr. Neelesh however did not appear in any of the scheduled backlog papers.	Annex-08

9.	20/10/2022	Mr. Neelesh Kumar mailed to HoD ECE, The Director, Dean Academics etc, falsely saying that he did not receive any information regarding conducting the back paper exam and that he was inclined to escalate the matter to higher authorities. (Note He had full intimation of the back paper, as he had registered himself in 7 back papers.)	<i>Annex-09</i>
10.	02/11/2022	AAA- Section again responded to his back papers status upto July -2022.	<i>Annex-10</i>
11.	03/11/2022	Mr. Neelesh wrote a long email raking up old issues, but then again on 3/11/2022 (5.26 PM) in supersession to his earlier mail of 3/11/22 (2.34 AM), requested to consider and resolve his few mentioned points.	<i>Annex-11</i>
12.	16/11/2022	AAA Section again prepared a note in response to the final email of Mr. Neelesh dated 3/11/2022.	<i>Annex-12</i>
13.	16/11/2022	Dean (A) decided to place the matter before the senate for consideration of the full matter.	

Final student request:

To be allowed to appear in a special backlog clearance examination drive, to enable him clear his backlogs within the maximum allowable Degree Completion period, which end in 2024.

Current Status:

- 1) Student Mr. Neelesh Kumar (Enrolment no. IEC2016019) currently has Ten back papers to his credit (6 Theory, 3 Lab, 1 Project) of these one course on Data Structure (Theory) he has to register afresh, while rest through back paper exam.
- 2) Applicable provisions permit him to register for a maximum of 7 Back papers in one go (Ref Ann. 03b).
- 3) As per applicable provisions maximum available time for the candidate to complete his 4 years B. Tech. Degree requirements is 7+1 years (for OBC NCL–PH candidates). The present candidate Mr. Neelesh Kumar belongs to the same category and accordingly his extended maximum permissible Degree completion period is ending in June 2024.

Accordingly, members of the Senate may kindly like to consider the issues raised by Mr. Neelesh Kumar and the facts narrated and advise suitably the future course of action in the matter.

Dear Students,

As per provision of old ordinance the Back Paper Examination is to be scheduled between 1st July, 2022 to 15th July, 2022 to conduct the backlog exam . The concerned students as per attached list having Back Papers are to be registered online and have to deposit the fees @ Rs. 600/- per paper (which is irrespective of Theory, Lab & Project). The Back Paper registration on portal will be opened and activated for registration from 23rd to 28th June, 2022. The students willing to appear in Back Paper Examinations MUST register the courses during this period.

A Student can register for a maximum in SEVEN PAPERS , which is irrespective of semesters.

The Back Paper Examination Schedule, timing and mode of examination will be communicated by respective HODs separately.

The eligible Student can login to pay fee through portal by using below link:

https://apply.iiita.ac.in/unified_login/ with LDAP credential.

The list of the students is attached.

With Good Wishes;

Respected Sir,

I am Neelesh Kumar B.Tech (ECE; IEC2016019) 2016 batch old ordinance student. Presently I have 10 backpapers (06 Theory, 03 Labs, 01 Mini Project) to clear my B.Tech (ECE) Degree. In principle, I have to clear only 03 (01 Theory, 01 Lab, 01 Mini Project) papers and the rest are disputed.

S.N.	Sem	Course	Status/Remark/Reason
1	1	ECAS130C (T) Circuit Analysis and synthesis (Dr Pooja)	I appeared in the main and back paper during the semester exam 2016 but got the F grade. I had re-registered in this course along with the third semester in July 2017 but the exam section did not declare the grade.
2	2	IDST232C (T) Data structure (Dr Rahul Kala/Sonali)	Failed in main exam and back paper exam, thus appeared in Back Paper Exam July 2020. Since I did not perform well in viva voce of lab exam, Dr Kala threatened me and said that I will give F grade. He gave F grade in theory as well as in Lab to satisfy his ego. My guardian (Prof Gajendra) contacted Dr Kala, he told him that yes, I failed him, now you can do whatever you can. He has contacted the concerned authority but no action has been taken.

Since I did not perform well in viva voce of lab exam, Dr Kala threatened me and said that I will give F grade. He gave F grade in theory as well as in Lab to satisfy his ego. My guardian (Prof Gajendra) contacted Dr Kala, he told him that yes, I failed him, now you can do whatever you can. He

Notification on Senate Decisions on Academic Deficiency, Back-Papers, and on Maximum Durations of Programs

20 July, 2015

The Senate in its meeting held on 6 June 2015 has taken the following policy decisions which are being implemented with immediate effect for all students.

1. At the end of each academic year (say, year XXXX), the academic performance of every student for that particular year will be considered. and all those students who **could not pass at least fifty percent of the total credits the student had registered for** in that academic year (year XXXX), the performance of all these students will be considered to be **academically deficient for the academic year XXXX**.
2. If the performance of a student is deemed to be academically deficient for the academic year XXXX, the student will be required to register afresh for all the courses (or their equivalents) which he/she had failed in the year XXXX and do these courses afresh, the student will not be allowed to clear these courses through back paper examinations.
 - Ordinarily, the student will register for these back-log courses during the academic year XXXX+1 in the respective semester.
 - Besides these back-log courses, such a student is allowed to register for as many courses which he/she would have registered for in the academic year XXXX+1 had his/her performance not been academically deficient for the year XXXX, subject to (a) **satisfaction of prerequisites (as defined by the respective department), (b) time table constraints not being violated, and (c) permissible maximum number of credits for a semester not being exceeded.**
 - If a back-log course is an elective course, the student may register for an equivalent (as determined by the Department) elective course.
3. The courses which a student has failed in an academic year XXXX can be cleared through back-paper examinations **provided the performance of the student was not deemed to have been academically deficient for the year XXXX.**
4. In a calendar year, back paper examinations will take place only once. the schedule of back-paper examinations will be announced by the Exam Cell.
5. A student can appear in the back paper examination opportunities at most three times to pass a particular course. A student who is not able to pass a course in the given number of opportunities will have to register for the course afresh in the semester in which the course is on offer.
6. In one year, a student can appear in at most **four theory back-paper examinations and in at most three laboratory back-paper examinations.**
7. Weightages for the purpose of awarding grades on back-paper examination:

for theory papers: the weightage of the back-paper examination shall be 80% and rest 20% for mid-sem. quiz, assignment, attendance etc. all put together, which the student had already earned while doing the course during the regular semester. Also, that the students who clear the subject through a back paper examination, the fact shall be mentioned on the transcript.

For Lab examinations: 50% weightage will be given to back-paper examination and rest 50% for the lab work done by the student for the lab course during the regular semester.

8. In respect of M.Tech.-Ph.D. Integrated Programme, the enrolled students shall be evaluated at the end of their 2nd year of the M.Tech. Programme for fitness for continuing into the Ph.D. Programme. In case of not being found fit, the student shall be allowed to exit from the M.Tech.-Ph.D. Programme with only M.Tech. Degree being awarded, after completing the requirement of the research credits.
9. Maximum duration allowed to complete for various programmes shall be as under:

S.No.	Programme Name	Programme Duration	Maximum Duration allowable for completion #
1.	B.Tech., IT, ECE	4 years	7 years
2.	M.Tech.	2 years	3 years
3.	M.Tech. Integrated	5 years	8 years
4.	B.Tech. & M.Tech. Dual Degree Programme	5 years	8 years
5.	M.Tech.-Ph.D.	5 years	7 years
6.	Ph.D. after M.Tech. *	5 years	6 years
7.	Ph.D. after M.Sc. *	5 years	7 years

*Ph.D.-Minimum residency period for M.Tech. students doing Ph.D. shall be two years while those pursuing Ph.D. after B.Tech./M.Sc. shall be three years. Stipend to scholars is tenable only up to four years from the date of initial registration.

Additional one year relaxation shall be allowable to candidates belonging to SC/ST/PH categories.

10. The convener of the concerned Departmental Under Graduate Committee (DUGC) for undergraduate students and the convener of the concerned Departmental Post Graduate Committee (DPGC) for post graduate and Ph.D. students shall advise students whose performance was found academically deficient and also clarify any queries on the above.

Minutes of the Meeting

The present meeting of designated officials was held in compliance of the direction of the Senate, vide the minutes of 20th Senate meeting vide Agenda item No 19 (ii) on the issue of Conduct of Special Back Paper Exams.

The meeting of the designated officials was held from 12 noon onwards on 27/01/2021 in the meeting room of AAA section which was attended by Dean(A&R), ADean(AAA), HoD(IT), HoD(ECE), Dr. Utkarsh Goel (Nominee of HoD, MS), Dr. Anuresh Sahoo (Nominee of HoD, AS), JR(AAA) & AR(AAA)

The matter of whether to conduct special back paper exams or not, was discussed with its various pros & cons being deliberated at length, by the members present. The members also apprised themselves of the list of students who were to be considered for Special Back Paper Exams, if they were to be held (39 students were due to appear in 352 Hack Papers, spreading over 86 Theory Papers, 37 Lab Papers and 5 Projects). After intense discussions thereafter, following was unanimously resolved:

- i) The existing system under old ordinance provided sufficient liberty to enrolled students both in terms of extended time period for completion of overall degree and also the number of papers that were permissible to be undertaken as back papers viz 4 Theory + 3 Lab papers per academic year.
- ii) The members present were further of the unanimous view that clearing more than seven papers as Back Papers as per the existing policy, was most unlikely for any student as it required a sufficient work load upon the already weak student
- iii) In view of (ii) above, members while choosing to continue with the existing limits of overall maximum degree completion period and also the maximum number of allowable Back Papers per academic year i.e -7 per year, further suggested to only recommend as follows:
 - a) The internal limits of permissibility of 4 theory + 3 labs per year be modified to permitting a student to appear in overall seven Back Papers in a year, without any internal cap over the limit between Theory or Lab papers or Projects Works
 - b) (a) above shall be invoked only after the student has completed his original minimal degree completion period of the respective degree programme.
 - c) For students who have completed their Minimal Degree Completion Period and have such number of back papers to their credit that in the remaining time available, even after availing the relaxation as in (a) above, they still cannot theoretically clear their backlog, they may choose to Re-register for courses up to 20 credits per semester to clear them by re-registering a fresh by formal registration & completing a minimum of 75% attendance criteria. In such a case, if the said original course is now not being offered, the student may be offered the next nearest course now available by the respective DUG/DPSC.
 - d) Opportunity as in (c) above is not to be seen as the one for Grade Improvement by those who have already cleared any course in the past.
 - e) For availing option as in (c) above requisite Semester & Annual dues plus Proportional Tuition fee, as applicable per Course, shall have to be paid as per the existing practice. No Tuition fee shall however be applicable upon SC/ST/Pw candidates as per existing practice.

ITEM NO. 19:

Any other item with the permission of the Chair

(i) To report the addition of one elective for B.Tech. 6th semester of ECE Department and changing of LTP structure of Elective-2

The detail of elective is enclosed as [Annex. 20.19]

The Senate noted and ratifies as above.

(ii) To consider and approve the special back paper for B.Tech. students under Old Ordinance

The Senate considered the proposal raised by HOD-IT and resolved that Dean (A&R), Associate Dean (AAA), concerned HODs and JR(AAA) may take a suitable decision in this matter.

On Table Agenda

Agenda Item S1- To accommodate the students who are doing their Ph.D. under the guidance of Late Prof. Shirshu Varma.

Chairman Senate had constituted a subcommittee to suggest guide and other requirements to accommodate all the Ph.D students of Late Dr. Prof. Shirshu Varma.

Senate approved the same.

At the end Chairman Senate put on record thanks to all external members for their inputs and efforts in forming the formal draft of new education policy of India. Members and especially the external experts were pleased to unanimously convey that this happens to be the first institution to implement National Education Policy of India.

The Secretary Senate also thanked to all the members of the Senate.

Meeting then ended with a vote of thanks to the Chair.

Minutes of DUGC meeting held on 30th June 2022 at 1100 Hrs. in 2106, CC-I

Following DUGC members were present:

1. Dr. Rajat Kumar Singh, Chairman
2. Dr. Ashutosh Kumar Singh, Convener
3. Dr. Sunny Sharma, Member
4. Dr. Amar Nath Yadav, Member
5. Dr. Ramesh Bhukya, Member
6. Dr. Radhika Gour, Member
7. Dr. Surya Prakash, Member

The agenda item and the proposed resolution are given below:

Agenda-1: Regarding the views of the respective faculty members on the grade assigned for the back paper for Neelesh Kumar (IEC2016019) B.Tech ECE (Student registered under old Ordinance) and against the his various claims

Resolution: Respective ECE faculty member shared the views which are mentioned below for each query of the student individually in the table form. The DUGC members discussed them and resolved for all the individual cases:

S.N.	Sem	Course	Status/Remark/Reason
1	1	ECAS130C (T) Circuit Analysis and synthesis (Dr Pooja)	I appeared in the main and back paper during the semester exam 2016 but got the F grade. I had re-registered in this course along with the third semester in July 2017 but the exam section did not declare the grade.
Resolution:		Dr. Pooja Mishra cannot comment on such a matter because she was on Child Care Leave during that period (Aug-Nov 2017), and the then HoD Prof. Manish Goswami nominated Dr. Arun Kant Singh to conduct the ECAS130C classes and back paper for that semester. However She will conduct the back paper exams if the student registered and attend physically.	
2	2	IDST232C (T) Data structure (Dr Rahul Kala/Sonali)	Failed in main exam and back paper exam, thus appeared in Back Paper Exam July 2020. Since I did not perform well in viva voce of lab exam, Dr Kala threatened me and said that I will give F grade. He gave F grade in theory as well as in Lab to satisfy his ego. My guardian (Prof Gajendra) contacted Dr Kala, he told him that yes, I failed him, now you can do whatever you can. He has contacted the concerned authority but no action has been taken.
Resolution:		IT department will generate the resolution regarding it.	
3	2	IDST232C (L) Data structure (Lab) (Dr Rahul Kala/Sonali)	Failed in main exam and back paper exam, thus appeared in Back Paper Exam July 2020. Since I did not perform well in viva voce of lab exam, Dr Kala threatened me and said that I will give F grade. He gave F grade in theory as well as in Lab to satisfy his ego. My guardian (Prof Gajendra) contacted Dr Kala, he told him that yes, I failed him, now you can do whatever you can. He has contacted the concerned authority but no action has been taken.
Resolution:		IT department will generate the resolution regarding it.	
4	4	EEMI 432C (L) Electronics Measurement and Instrumentation Lab (Dr Ashutosh Singh)	Appeared in main semester, but not cleared, so appeared in Back paper exam 2017. Dr Ashutosh Singh forgot to submit the grade, Dr Singh said sorry, please appear next time, then again, I appeared in the back paper exam 2018 (My guardian was also present during the exam in his chamber and saw the answer sheet) and Dr Singh told him that the back will be clear now. Again, he did not submit the marks, it was showing in the list as GNPF. I personally met and called several times "if it is clear please submit the grade to the exam section". I don't know what grade has been submitted to the exam section by Dr Singh and what is the problem with him. Due to his unseriousness this paper is showing in the list of back papers.
Resolution:		Dr. Ashutosh Singh mentioned as given below: "I do not remember any such discussion as mentioned by the students. Also, there is nothing on record. Why is the student raising the matter so late? If the student could not perform, he has the option of a back paper." During the discussion, Dr. Ashutosh also informed to the members that the student's guardian visited his house and asked for a favor regarding the marks, which was unethical.

During the discussion, Dr. Ashutosh also informed to the members that the student's guardian visited his house and asked for a favor regarding the marks, which was unethical.	
6	4	EMWE432C (L) Microwave Engineering Lab (Dr. Pooja)	I will try to clear through back paper exam July 2022
Resolution:		Dr. Pooja Mishra is ready to conduct the EMWE432C (L) Microwave Engineering Lab if the student will register and be physically present for the lab examination.	
7	4	EICT430C (T) Integrated Circuit Technology (Dr. Rekha)	I will try to clear through back paper exam July 2022, if Dr. Sanjai Singh will take this exam.
Resolution:		Dr. Rekha Verma is ready to conduct the back paper of EICT430C (T) Integrated Circuit Technology if the student will register and be physically present for the examination. She also informed that she don't have any problem if Dr. Sanjai Singh will conduct the exam.	
8	6	EPR1605P(P) Mini Project-2	Did not allow me to present the project in the final examination in 2019.
Resolution:		He may be allowed to present his work in front of the committee formed by HoD(ECE) if the student will register and present physically. The committee members will be: Dr. Amar Nath Yadav (Chairman), Dr. Ramesh Bhukya, Dr. Surya Prakash, and Dr. Radhika Gour.	
9	7	EODC730E (T) Optoelectronic Devices & Circuits (Dr. Sunny Sharma)	Dr. Sunny Sharma told me after evaluation of the makeup exam 2019 that you have been passed in this paper, but showing in the list of back papers.
Resolution:		Dr. Sunny informed that the student failed the examination and submitted the grade as the student did not clear the examination as per the record. However, he will conduct the back paper exams if the student registered and attend physically.	
10	7	EESD732C (T) Embedded System Design (Dr. Prasanna)	Dr. Prasanna told him after the evaluation of exam 2019 that you have been passed in this paper, even though my name did not appear in the makeup exam list, but showing in the list of back papers.
Resolution:		Dr. Prasanna informed that the student failed the examination and submitted the grade, as the student did not clear the examination as per the record. However, he will conduct the back paper exams if the student registered and attend physically.

Dear Sir,

In the super session to my earlier mail, it is requested to kindly resolve the following issues

1. For ECAS130C (T) Circuit Analysis and Synthesis, as I had re-registered, studied this course with third semester and appeared in the exam but the result was not declared yet even though I had written a mail to the AAA section on Tue, May 22, 2018. Thus it is still showing in the back paper.
2. For Data Structure (Lab) and Data Structure (Theory), please see the attached submitted response in July 2020 back paper exam. Please review and send for re-evaluate to other teacher because Prof Kala failed me intentionally. I will definitely get C or D grades but not F.
3. For EESD732C (T) Embedded System Design, neither i received any mail for make-up exam from AAA section nor from Dr Prasanna sir but i is listed in backpackers, if it would have been informed that time, then It may clear in makeup exam.
4. I had submitted the fee for seven papers to appear in Back papers 2022 but due to mis communications I could not appear, but you calculated as an attempt and as per norms, I have to appear in Back paper exam 2023 for some papers and for some papers I have to register afresh in the semester (Session Jan-Jun-2023). Thus in this situation please do not count as an attempt.

Sir, please consider the above points and schedule special back papers of the July 2022 session for me so I can save my time and complete my degree.

I shall be highly obliged to you

Yours

Neelesh Kumar

Sir,

I had requested the dean academic for registering more than seven papers before submitting the back paper examination on 24 June 2022 but did not get any response from the Dean academic (or concerned authority) then I registered for seven papers.

As per the notification of AAA regarding back paper exam, it is to be scheduled from 1st July to 20th July 2022 and submitted the grades till 19/07/2022 but AAA section did not notify the exam schedule. Then I wrote to AAA on 09 July 2022, AAA replied on 11 July 2022 cc to HoD ECE as "*Dear Neelesh, Pl. contact your HoD, concerned Faculty for Back paper schedule and Examination to complete registered back papers on or before 15 July 2022. Ramesh Rai, AAA-Section*".

After this mail, on 12 July 2022 I got mail from HoD with the decision of DUGC for registering maximum papers. Receiving the mail from HoD, concerned faculty members mailed me.

1. On 12 July 09:54 AM, Dr. Prasanna Kumar Misra Sir for Embedded system will be held on 14th July 2022 at 10:00 AM in CC-1, 2223 classroom.
2. On 12 July 4:44 PM, Dr Pooja Mishra Madam for Circuit Analysis and Synthesis (ECAS130C) will be held on 15th July 2022 at 10:00 AM in room no 2114 (CC-1).
3. On 12 July 04:14 PM, Dr Amar Nath Yadav Sir for mini project-2 is scheduled on 13th July 2022 (tomorrow) at 12:15 PM in Room No- 2106, CC-1.
4. On 12 July 6:57 PM, Dr Rekha Verma Madam for EICT430C is scheduled on 18th July 2022 (Monday) at 11:00 AM in room no 2121 (CC-1).
5. On 15 July 2:56, Dr Sunny Sharma Sir for Optoelectronic Devices and Circuits EODC730E (T) will be held on 17th July 02:00 PM CC-1, 2223 classroom.
6. On 18 July 5:23 PM, Dr Ashutosh sir for Electronic Measurement & Instrumentation Theory EEMI432C (T)- Exam date- 20 July 2022 Time: 11:00 am Room No. CC3 - 5155.
7. On 18 July 5:23 PM, Dr Ashutosh sir for Electronic Measurement & Instrumentation Lab EEMI432C (L)- Exam date- 21 July 2022 Time: 11:00 am Room No. CC3 - 5118.

In the last two years backpaper had been scheduled in online mode even the faculty members of IT Department have been conducting the backpaper exam in this year also (see the attached proof of online exam). Thus, I had requested all the faculty member cc to Director sir, Dean Academic and HoD Sir to conduct the exam in online mode because it was not possible for me to reach Allahabad from Tirupur (Tamil Nadu) within very short notice. As I joined Vishnu Textiles & Company, Tirupur as an Inventory (IT) Executive for livelihood as well as financial support to my parents. Apart from this, leave issues also here because I joined this job recently after lots of struggle and recommendation on the basis of 12th standard. Even my parents were also not allowing me to travel because I was suffering from mild cough and cold because covid also spreading at that time.

But, I did not get any mail from the authorities. I sent several e-mails but did not receive the mail. I called Dean Academic, he told me that since you have written to Director sir so wait for his mail. I am still waiting for the director or dean of academics' mail.

I had written to the new HoD of ECE, then at least he replied to me and got some hope but today I got an email from AAA that the Back paper result for the year 2022 was declared and published on the web site of AAA-Section on 29/07/2022.

Sir, what is my fault and why should I deprive. If AAA is really doing their job seriously then this situation never arises.

1. In one paper {EACN332C (L)}, AAA listed my name in back papers instead of passed in main exam but I appeared in back paper exam because of AAA mistake (See the attached Grade Card),
2. In one paper {ECAS130C (T)} I re-registered and studied full semester but AAA did not notify the result yet (see the attached mail Result of _)
3. In two of the papers {EEMI 432C (T), EEMI 432C (L)} faculty member forgot to submit the marks shown as GNPf then I appeared in back paper (see the attached mail GNPf).
4. In two papers {IDST232C (T) Data structure, IDST232C (L) Data structure (Lab)} faculty intentionally gave F grades. I reported the issue to authority but no action has been taken yet. (See the
5. In one paper {EESD732C (T)} where AAA did not notify my grade in the makeup exam and listed it in backpaper.

If the date of exam were 1 to 15 July 2022, then why did not notify the exam schedule by AAA and how faculty members

Sir, there are lots of loopholes in your system and I know it very well. Since I am a student of this institute and I respect it, so I don't want to disclose it in public/media.

Sir, in genuine, I have only three backpapers (EMWE432C (L) Microwave Engineering Lab, EICT430C (T) Integrated Circuit Technology, EPRJ605P(P) Mini Project-2) rest are disputed but I want to clear all my backs smoothly without any tension, so I can get my B.Tech Degree and start the career to livelihood and support my parents.

I have been requesting and writing since 24 June 2022 but nobody is understanding my mental situation and resolving my problem. This is my last request to the IIIT-A system.

Therefore, I humbly request you to please don't harass me more and conduct my backpapers as soon as possible.

Sincerely yours

Neelesh Kumar

Date: 16/11/2022

Subject: Status of Back Paper Exam. upto July-2022 of Mr. Neelesh Kumar, (IEC2016019).
Mr. Neelesh Kumar, Batch-2016 (IEC2016019) has sent an email regarding various type of query for back paper examination upto July -2022. Chronological mail as below:-

SI NO.	From	Email date	Subject
1.	AR (AAA)	21/06/2022	Notification for Back paper exam July 2022 issued to all concerned students including Mr. Neelesh Kumar
	AR (AAA)	29/06/2022	Notification Re sent to All HoD with a copy to Mr. Neelesh
2.	Mr. Neelesh	29/06/2022	Mr Neelesh registered in 7-backlog papers and paid the fee for examination. (Dated 29 June 2022 as per registration portal)
3.	Mr. Neelesh	24/06/2022	He request to allow to register in all 10 back papers to Dean (A)
4.	DUGC	30/06/2022	Resolution of Student's query & allowed for 7 back papers only, as per provisions.
5.	AR(AAA)	11/07/2022	Mail sent to HoD ECE copy to Mr. Neelesh regarding maximum allowable back papers as 7 as per provision and request to HoD ECE to convey the back paper dates.
6.	Concerned Faculty	13/07/2022 to 18/07/2022	All Concerned Faculty scheduled the examinations and informed to Mr. Neelesh through email regarding his back papers exam dates. Exams were to be held in physical mode, as Institute was operational in physical mode since March 2022. Mr Neelesh did not appears in any of the scheduled backlog papers
7	Mr. Neelesh	20/10/2022	He mailed to HoD ECE, The Director, Dean Academics etc. falsely saying that he did not receive any information regarding conducting the back paper exam and that he was inclined to escalate the matter to higher authorities.
8.	AAA-Section	02/11/2022	AAA- Section responded to his back papers status upto July -2022.
9.	Mr. Neelesh	03/11/2022	Mr Neelesh wrote a long email raking up old issues, but then again on 3/11/2022 (5.46 PM) in Super session to his earlier mail of 3/11/22 (2 34 AM), requested to consider and resolve his below mentioned points

Upon the latest mail of Mr. Neelesh Kumar, dated 03/11/2022 (5 46 PM) written by him to the Institute, the point wise facts status as per records is as below:

(PS)

1. **Request :** For ECAS130C (T) Circuit Analysis and Synthesis, as I had registered, studied this course with third semester and appeared in the exam but the result was not declared yet even though I had written a mail to the AAA section on Tue, May 22, 2018. Thus, it is still showing in the back paper.

Current Status: The concerned Faculty of above course, Dr. Arun Kant Singh, through his email dated 11/11/22 (Attached at Flag A) has denied to the appearance of Mr. Neelesh Kumar in Mid & End semester Examination in July to Dec.2020. (Dr Arun Kant Singh has now left the Institute and joined CSIR, form where he has responded.)

Conclusion – The student as to appear in the Back paper Examination of this Course.

2. **Request:** For Data Structure (Lab) and Data Structure (Theory), please see the attached submitted response in July 2020 back paper exam. Please review and send for re-evaluate to other teacher because Prof Kala failed me intentionally. I will definitely get C or D grades but not F.

Status:

As per comments of Dr. Rahul Kala:

- i) The said assessment consisted of 2 parts- a theory and a vivo voce. Being online (Covid period) for theory the student had to write the solution, phone scan and submit on whatsapp. The viva voce was done as a video interview.
- ii) In the viva voce the candidate was asked the questions similar to theory and the candidate could not answer. After a few questions it was clear that the candidate's theory solutions were not a representative of his knowledge and the use of unfair means.
- iii) Thereafter basic questions were asked to judge the candidate's knowledge. The candidate could not even get the basic answers to the questions. On the the day of evaluation, in the viva voce, the candidate had a very poor knowledge of the subject and have the grades.

Conclusion- Competent authority may kindly like to decide and advise suitably.

3. **Request :** For EESD732C (T) Embedded System Design, neither i received any mail for make-up exam from AAA section nor from Dr Prasanna sir but i is listed in backpackers, if it would have been informed that time, then It may clear in makeup exam.

Factual Status: Back paper exam date had been scheduled by Dr. Prasanna Mishra of 14 July 2022 as informed by him to Mr Neelesh by email dated 12/7/22, to appear in back paper examination in physical mode. Mr Neelesh however did not appear in the Back paper, due to his working in Vishnu Textiles & company, Tirupur, as communicated by him through his email dated 12/7/22. He also in turn requested to hold the examination in online mode. Mr Neelesh thus did not appear in the scheduled examination and therefore the result has been declared= F (ab). (Mail copy attached).

Conclusion – The student as to appear in the Back paper Examination of this Course.

4. **Request :** I had submitted the fee for seven papers to appear in Back papers 2022 but due to miscommunications I could not appear, but you calculated as

an attempt and as per norms, I have to appear in Back paper exam 2023 for some papers and for some papers, I have to register afresh in the semester (Session Jan-Jun-2023). Thus in this situation please do not count as an attempt.

Factual Status: The opportunity granted to a student is counted as an opportunity exhausted by the student, as per the current practice. The student however still has enough opportunities to clear the Back papers till 2024, except for the paper titled Data Structure (Theory) of Second Semester, where he has to register afresh with the coming batch and clear the paper altogether afresh.

Conclusion – The student has to appear in the Back paper Examination of this Course, after due registration in the course.

5. **Request:** Sir, please consider the above points and schedule special back papers of the July 2022 session for me so I can save my time and complete my degree.

Factual Status: The student still has time till 2024 to clear the backlogs accrued to him, in the regular course. Back Paper Examinations are held once in June – July every year. Thus this year's Back Paper Examinations are already over, the opportunity which Mr Neelesh failed to utilize. Mr Neelesh will get two more chances, one each in June-July of 2023 as well as in 2024, to clear out his backlogs. Maximum allowable time for completion of his Degree is June 2024.

Conclusion- Competent authority may kindly like to decide and advise suitably.

In view of the facts and circumstances as per above, competent authority may kindly like to consider and order for further needful in the matter.

Respected Sir,

Mr. Neelesh Kumar (IEC2016019) has sent a mail and he said, I am appeared in exam of "Circuit Analysis and Synthesis" ECAS130C(T) course in July 2018 but result is still awaited.

Thus, Kindly confirm whether he appeared or not in examination of the above mentioned subject.

Dear Sir,

I taught the "Circuit Analysis and Synthesis" ECAS130C(T) from July 2017 - Dec 2017, not for July 2018 (as mentioned in the appended mail). In the session from July 2017- Dec 2017 the said student, Mr. Neelesh Kumar (IEC2016019), did not appear for mid semester as well as for the end semester examination of the "Circuit Analysis and Synthesis" ECAS130C(T) course.

However as I did not teach the mentioned course in the semester starting from July 2018 (as mentioned in appended mail) so I don't have any information regarding the same student for the July 2018 session (as mentioned in the appended mail).

Thanks.

1. For ECAS130C (T) Circuit Analysis and Synthesis, as I had re-registered, studied this course with third semester and appeared in the exam but the result was not declared yet even though I had written a mail to the AAA section on Tue, May 22, 2018. Thus it is still showing in the back paper.
 2. For Data Structure (Lab) and Data Structure (Theory), please see the attached submitted response in July 2020 back paper exam. Please review and send for re-evaluate to other teacher because Prof Kala failed me intentionally. I will definitely get C or D grades but not F.
 3. For EESD732C (T) Embedded System Design, neither I received any mail for make-up exam from AAA section nor from Dr Prasanna sir but I is listed in backpackers, if it would have been informed that time, then I may clear in makeup exam.
 4. I had submitted the fee for seven papers to appear in Back papers 2022 but due to mis communications I could not appear, but you calculated as an attempt and as per norms, I have to appear in Back paper exam 2023 for some papers and for some papers I have to register afresh in the semester (Session Jan-Jun-2023). Thus in this situation please do not count as an attempt.

Sir, please consider the above points and schedule special back papers of the July 2022 session for me so I can save my time and complete my degree.

I shall be highly obliged to you

Yours

Sir,

2 I had requested the dean academic for registering more than seven papers before submitting the back paper examination on 24 June 2022 but did not get any response from the Dean academic (or concerned authority) then I registered for seven papers. As per the notification of AAA regarding back paper exam, it is to be scheduled from 1st July to 20th July 2022 and submitted the grades till 19/07/2022 but AAA section did not notify the exam schedule. Then I wrote to AAA on 09 July 2022, AAA replied on 11 July 2022 cc to HoD ECE as "Dear Neelesh, Pl. contact your HoD, concerned Faculty for Back paper schedule and Examination to complete registered back papers on or before 15 July 2022. Ramesh Rai, AAA- Section".

After this mail, on 12 July 2022 I got mail from HoD with the decision of DUGC for registering maximum papers. Receiving the mail from HoD, concerned faculty members mailed me.

1. On 12 July 09:54 AM, Dr. Prasanna Kumar Misra Sir for Embedded system will be held on 14th July 2022 at 10:00 AM in CC-1, 2223 classroom.
2. On 12 July 4:44 PM, Dr Pooja Mishra Madam for Circuit Analysis and Synthesis (ECAS130C) will be held on 15th July 2022 at 10:00 AM in room no 2114 (CC-1).
3. On 12 July 04:14 PM, Dr Arnar Nath Yadav Sir for mini project-2 is scheduled on 13th July 2022 (tomorrow) at 12:15 PM in Room No- 2106, CC-1.
4. On 12 July 6:57 PM, Dr Rekha Verma Madam for EICT430C is scheduled on 18th July 2022 (Monday) at 11:00 AM in room no 2121 (CC-1).
5. On 15 July 2:56, Dr Sunny Sharma Sir for Optoelectronic Devices and Circuits EODC730E (T) will be held on 17th July 02:00 PM CC-1, 2223 classroom.
6. On 18 July 5:23 PM, Dr Ashutosh sir for Electronic Measurement & Instrumentation Theory EEMI432C (T)- Exam date- 20 July 2022 Time: 11:00 am Room No. CC3 - 5155.
7. On 18 July 5:23 PM, Dr Ashutosh sir for Electronic Measurement & Instrumentation Lab EEMI432C (L)- Exam date- 21 July 2022 Time: 11:00 am Room No. CC3 - 5118.

In the last two years backpaper had been scheduled in online mode even the faculty members of IT Department have been conducting the backpaper exam in this year also (see the attached proof of online exam). Thus, I had requested all the faculty member cc to Director sir, Dean Academic and HoD Sir to conduct the exam in online mode because it was not possible for me to reach Allahabad from Tirupur (Tamil Nadu) within very short notice. As I joined Vishnu Textiles & Company, Tirupur as an Inventory (IT) executive for livelihood as well as financial support to my parents. Apart from this, leave issues also here because I joined this job recently after lots

of struggle and recommendation on the basis of 12th standard. Even my parents were also not allowing me to travel because suffering from mild cough and cold because covid also spreading at that time.

But, I did not get any mail from the authorities. I sent several e-mails but did not receive the mail. I called Dean Academic, he told that since you have written to Director sir so wait for his mail. I am still waiting for the director or dean of academics' mail. I had written to the new HoD of ECE, then at least he replied to me and got some hope but today I got an email from AAA that the Back paper result for the year 2022 was declared and published on the web site of AAA-Section on 29/07/2022.

Sir, what is my fault and why should I deprive. If AAA is really doing their job seriously then this situation never arises.

1. In one paper {EACN332C (L)}, AAA listed my name in back papers instead of passed in main exam but I appeared in back paper exam because of AAA mistake (See the attached Grade Card).
2. In one paper {ECAS130C (T)} I re-registered and studied full semester but AAA did not notify the result yet (see the attached mail Result of _)
3. In two of the papers {EEMI 432C (T), EEMI 432C (L)} faculty member forgot to submit the marks shown as GNPF then I appeared in back paper (see the attached mail GNPF).
4. In two papers {IDST232C (T) Data structure, IDST232C (L) Data structure (Lab)} faculty intentionally gave F grades. I reported the issue to authority but no action has been taken yet. (See the attached mail)
5. In one paper {EESD732C (T)} where AAA did not notify my grade in the makeup exam and listed it in backpaper.

If the date of exam were 1 to 15 July 2022, then why did not notify the exam schedule by AAA and how faculty members scheduled the exam beyond the 15 July 2022.

Sir, there are lots of loopholes in your system and I know it very well. Since I am a student of this institute and I respect it, so I don't want to disclose it in public/media.

Sir, in genuine, I have only three backpapers (EMWE432C (L) Microwave Engineering Lab, EICT430C (T) Integrated Circuit Technology, EPRJ605P(P) Mini Project-2) rest are disputed but I want to clear all my backs smoothly without any tension, so I can get my B.Tech Degree and start the career to livelihood and support my parents.

I have been requesting and writing since 24 June 2022 but nobody is understanding my mental situation and resolving my problem. This is my last request to the IIT-A system.

Therefore, I humbly request you to please don't harass me more and conduct my backpapers as soon as possible.

Sincerely yours

Neelesh Kumar
